

Math

Hi All,

Normally, we are split into different Math groups and have different teachers and sometimes different work and programs. Since we are just starting our Home Learning, here is a general plan that we will post on our Small Frys site in Superior Middle School Teacher Pages. If you need to access the Math Makes Sense 6 Text, it is on our Teacher Pages – but you need to go way back to earlier in the year. The following are some directions for your particular class...

Mrs. Fortune/Mme Campbell

Business as usual with your independent lessons and checkups on the Teacher pages.

Mme Brewster

You will follow the independent lessons on the Teacher pages, starting at Lesson 3.

Mr. Good

You will follow the independent lessons on the Teacher pages, starting at Lesson 1.

Mme Kenny (includes Dakota Caissie, Ira Guitard, Dillan Aubie)

Please work on:

IXL students - 75 minutes a week (about 15 minutes a day)

DreamBox students 75 minutes a week (about 15 minutes a day)

Mrs. Whelton (Raymond Chiasson, Mathis Frenette)

Continue on IXL - 75 minutes a week (about 15 minutes a day)
