

Home Learning – Week of June 8th – 12th, 2020

Congratulations, you have made it to Week 10 of Home Learning, our final week and your final week of grade 8! We are going to miss seeing each of you at school everyday, speaking to you on the phone each week and communicating with you via email/Instagram/text over these past three years. It has certainly been a journey and although it did not end the way we all anticipated, it will forever be part of each of us. Please know that we are here for you and will continue to be if you need anything at all. You can reach us at the following emails:

Mrs. Cleland – sandra.cleland@nbed.nb.ca

Mrs. Cormier – patti-jo.cormier@nbed.nb.ca

Mme Doucet – lilianne.doucet@nbed.nb.ca

Mme McLellan – krissy.mclellan@nbed.nb.ca

****If you have an instagram account, please follow mahi_mahi_sms. If you have an obscure username please send me an email so I accept your follow request. 😊**

Guidance – You may contact Mrs. Chaisson if needed through her email. Nicole.chaisson@nbed.nb.ca

Math – Complete the Surface Area Practice sheet – see attachment

Mme Kenny's Math - IXL for 75 minutes a week (about 15 minutes a day)
DreamBox for 75 minutes a week (about 15 minutes a day)

Literacy (Language Arts)/Le français – As your middle school days are coming to an end, we would like you to reflect on your time here at SMS. This week's assignment is to write a reflection about your Middle School experience. Some examples you may include are: how you felt when you first arrived, fun activities you were part of, special friendships you made, a memorable time you shared and how you have changed. You may write this piece in English or French. We will compile all reflections into one document and create a memorabilia for each you to take on your next adventure. We're sure that Mme Doucet will remember your time with the song "I'm so excited"! 😊

Art - This week you will be doing 2 - 3D Drawing Tutorials. All you need is paper, a pencil, an eraser and a tissue (for blending). These videos will be posted on the channel MAS in Microsoft Teams. Have fun and enjoy!

3D Drawing Tutorials: **A Shark and Deadpool** (with Deadpool's artist Scott Koblish): <https://youtu.be/UQSEfagIcqM?t=504> and **The Ant Porthole**: https://youtu.be/EQWgKdY5_Sk?t=390

And, as always, keep your Art Journals close and if you want to add in your own entry this week - Be Creative! Thanks!
