

to Forces on an Object/Motion

1. Click on this link: <https://flexbooks.ck12.org/cbook/ck-12-middle-school-physical-science-flexbook-2.0/section/10.1/primary/lesson/force-ms-ps/>
2. Login with the CLASS CODE: ch931
3. Read the information on section **10.9** thoroughly. Answer the questions on the bottom of the page on a Word document. Submit your answers to Teams in the assignment called Acceleration.
4. Also, in the assignment there is an attached file called "Acceleration Worksheet." Complete the multiple-choice questions and submit your answers on the same document as the review questions.
