You will go to Khan Academy and complete activities that I have assigned to our class.

1. **www.khanacademy.org/login** and enter your username (find your name on the list below) and password. The password is Superior1 (S is capitalized)

2. Once you are logged in, click on the **Assignments** tab. Complete each activity (quiz, lesson, etc)
3. I will view your completed work and send you feedback
