

Introduction to Forces on an Object/Motion

1. Click on this link: <https://flexbooks.ck12.org/cbook/ck-12-middle-school-physical-science-flexbook-2.0/section/10.1/primary/lesson/force-ms-ps/>
2. Login with the CLASS CODE: ch931
3. Read the information on section 10.6, 10.7 and 10.8 thoroughly. Answer the questions on the bottom of the page on a Word document. Submit your answers to Teams.
4. You should also click on the “Review” tab for each section and complete the activities there. You **do not** have to submit your answers.
