

Home Learning Days – Wednesday, November 3rd - Friday, November 5th, 2021

Good morning Sockeyes!

Here is a work plan for today (Wednesday) to Friday. This will also be posted on Superior Middle School Teacher Pages under Grade 8 Sockeyes if anyone cannot access Teams. Please check in with us daily on Teams or through e-mail and of course you can contact any one of us personally for specific help/questions. Happy learning days! * You should do about 30 minutes/day on each of your 4 subjects.

Math

Mrs. Fortune's and Mme Brewster's Class

Follow the Math plan on Teams (there is a digital copy of the Math text on the Teams Math channel). If you come to a Task or Assignment, e-mail your teacher and she/he will give you a scanned copy via your student e-mail.

Mr. Good's Class

Please access the file called “Mr.Good Home Learning Math” in the Math section on Teams to follow your Math assignment. ***(This program is internet based – do not need Teams)***

Mme Kenny’s Class

Continue working on your plan in IXL. You should be doing about 30 mins per day. Email renee.kenny@nbed.nb.ca if you don't remember your username and password. ***(This is internet based – do not need Teams)***

LA – All (2 readings with written reponses)

Complete the reading/writing task assigned to you on ReadWorks. If your code is **RT3BR3**, the 2 readings for the next 3 days are “The Orchid’s Secret” and “Sibling Face-Off”. If your code is BNEB43 your reading is “Cats Can Save the Day”

(Claudio, your code is 335MWS. Please do “Monkey Business” and “A Family Reunion”. You can access the read aloud and follow the text). ***This program is internet based – do not need Teams.***

- After the reading, please be sure to do the questions and any written responses. Your reading/writing gets marked daily which you can see in Readworks

French

A detailed plan of French for both Immersion and PIF is in Teams called “French Wednesday to Friday”

Late Immersion French- Check the late immersion team for daily lessons from Mme Kenny

Science – Mr. Good has a file in the Science section of teams called “Gravity” for students to follow.
