

Home Learning - Monday, November 8th - Friday, November 12th, 2021

Good morning Sockeyes!

Here is a work plan for today (Monday) to Friday. This will also be posted on Superior Middle School Teacher Pages under Grade 8 Sockeyes if anyone cannot access Teams. Please check in with us daily on Teams or through e-mail and of course you can contact any one of us personally for specific help/questions. Happy learning days! * You should do about 30 minutes/day on each of your 4 subjects.

Please read this learning plan before starting anything.

Math

Mrs. Fortune's and Mme Brewster's Class

Follow the Math plan on Teams (there is a digital copy of the Math text on the Teams Math channel). If you come to a Task or Assignment, e-mail your teacher and she/he will give you a scanned copy via your student e-mail.

Mr. Good's Class

Please access the file called “Mr.Good Home Learning Math Week 2” in the Math section on Teams to follow your Math assignment. ***(This program is internet based – do not need Teams)***

Mme Kenny’s Class

Continue working on your plan in IXL. You should be doing about 30 mins per day. Email renee.kenny@nbed.nb.ca if you don't remember your username and password. ***(This is internet based – do not need Teams)***

LA – All

There are 2 tasks for LA for the week (reading and oral activity). Please find the file, “LA Week 2”) in Teams in the LA channel.

French

A detailed plan of French for both Immersion and PIF is in Teams called “FILA-PIF Plan Nov.10th -12th”.

Late Immersion French- Check the late immersion team for daily lessons from Mme Kenny

Science – Mr. Good has a file in the Science section of Teams called “Acceleration Assignment” for students to follow.
